Saga of Alva.....

A dream of establishing an elite school in Moodbidri was brought into reality in the year 1995 by a great visionary, Dr.M.Mohan Alva a physician by profession and philanthropist by heart. He embarked a mission of establishing a school of par excellence and a dream to impart quality education. Thus Dr. M. Mohan Alva's foresightedness, sincere commitment and constant desire to bring a dynamic revolution in the field of education and constant efforts to make Moodbidri as name for education have been accomplished. Today he has a vast array of institutions in various disciplines where long awaited social transformation is becoming a reality.

Alva's Education Foundation (R) has grown by leap and bounds since its inception. Brilliant academic record and remarkable feats of co-curricular activities have been testimony for quality education and supportive guideline. Alva's Schools strives to fulfil such a requirement with a blend of culture and education. Our attempt here is to inculcate in the young minds a sense of moral and social responsibilities.

Alva's Central School have stood out to be a very special Educational institution, having carved a niche for itself in a short span. Though it is situated in a rural area called Pufflige in Moodbidri (D.K), it has towered a height of unimaginable success and competing with its own sets of standards.

Alva's emphasizes on the assimilation of noble thoughts for harmonious blend of life, character building, crystallisation of thoughts and refinement in behavioural attitude and thus Alva's Schools extensively focus on around development of the students.

Vision

To mould the young minds to develop a positive attitude towards challenges of life and towards the outside world. Inculcating the cultural values in each child along with main mission of quality education.

Why Alva's School....

Every child is born with a creative instinct but it has to be nurtured and blossomed Alva's School is an educational and cultural centre of great repute where a child can get education starting from Kindergarten to Xth under a single roof. It takes immense pride in the co-curriculum programme with extensively creative performing art shows. The students part is evident in all prestigious inter school, state and national level competitions. The congenial atmosphere and plethora of myriad activities brings incredible success and brilliant academic record of scoring 100% results.
